*We must build **Trust** between National, Provincial, Local Leaders and People we govern.*

*Our commitment is to **Unlock** Congo's Hidden Treasures and Potential to benefit Congolese people and the rest of the world.*

The geographic location of DR Congo in the heart of Africa and its wealth make it a strategically, political and economical important country in the continent.

The Fundamental Problems of DR Congo are:

- **Leadership**
- **Vision**
- **Institution**
- **Administration**
- **Infrastructure**
- **Multicultural**
- **People**
